**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic has been a wonderful source for my telephone, Internet and wi-fi connection. ATT and the other businesses are charging huge amount for these services that I cannot afford.

Sonic is a local source that works for many communities here in Northern California and beyond.

Broadband is needed for homes, businesses and schools.

Please keep this great provider of service intact.

Thank you,

Kathleen Kestelyn
